1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers, which adheres to the Department for Education’s statutory guidance.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010 and the DfE’s non-statutory guidance on developing school uniform policy.
- Clarify our expectations for school uniform and state which branded items are compulsory

2. Our school’s legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols
- Make reasonable adjustments to our policy for pupils with SEND and/or medical conditions.
- Allow for adaptations to our policy on the grounds of equality by parents/carers to contact the Headteacher, who can answer questions about the policy and respond to any requests.

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (branded items that require the school logo) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Limiting the number of branded items to two.
- Avoiding specific requirements for items that pupils could wear on non-school days, such as coats and rucksacks.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- Not having different uniform requirements for different groups
- No additional uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents to acquire second-hand uniform items, this includes new starters
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.
