

Year 3 Term 1

Optional Home Learning tasks

Write a poem

Autumn is approaching. Why not be inspired by the changing season and write an Autumn-themed poem?

Write a story

Write any story you like - it could be based on a traditional fairy tale. Make sure it has a beginning, a middle and an end.

Make a poster

Design a poster linked to some of our learning this term. It could be about our science of Light and Shadows, or our topic of Great Britain. Make sure you include some writing as well as pictures.

Keep a diary

Do you have a busy life outside of school? Why not keep a diary this term and you can share your experiences with the class at the end of term.

Book review

Have you read a really great book that you think others will love? Write a book review that you can share with your classmates.

Interview

Why not ask your family and friends about places they have visited in the UK - interview them about their favourite places, and write some notes in your book.

Get creative!

Get cooking! Research some traditional British recipes that you can make and share with your family and friends. Take some photos and email them in.
