JINX**

Class Expectations

Ready

Come to school with a positive attitude, listen carefully and be ready to give everything a go

Resilient

Challenge Yourself

Don't be afraid to make mistakes. Try your best, persevere when things are difficult and take pride in your learning.

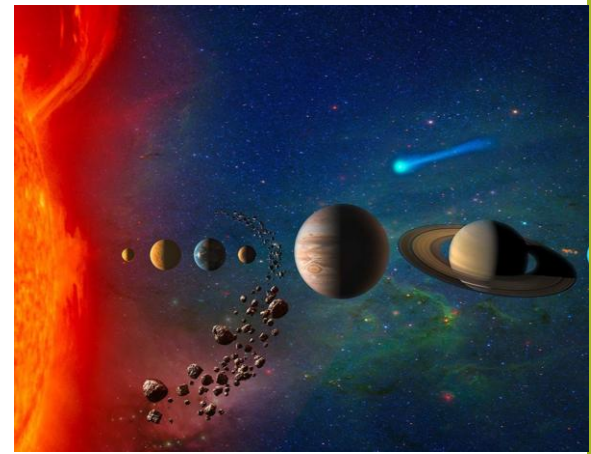

Respectful

Be Responsible & Respectful

Make good choices, treat others with kindness and respect, and take responsibility for your behaviour and learning.

Kingfisher Topics

- Autumn – Mission: space
- Spring – Invaders and Traders
- Summer – Welcome to Sunny Worthing

End of year expectations

Reading

Fluency, comprehension and deeper understanding, including retrieving information, making **inferences and predictions**, summarising, identifying themes and ideas, discussing characters and viewpoints, and **using evidence from the text** to explain responses.

Maths – TT rockstars

Spelling Individual spelling list – National Curriculum words Weekly spelling homework

EXPERIENCES!

- Chichester Planetarium
- The Saxons in Sussex workshop - The Novium Museum
- Bell Tents

Supporting your child's learning

What is a Growth Mindset?

A **growth mindset** is the belief that our abilities and intelligence can develop through **effort, practice and learning**.

Praise **effort, perseverance and progress**, not just results.

Encourage children to **embrace mistakes as part of learning**.

Use positive language such as "*Keep trying*" and "*What could you try differently?*"

Celebrate challenges and encourage children to **step outside their comfort zone**

Why Growth Mindset matters

Encourages trying
new challenges.

Helps perseverance
through mistakes.

Improves academics
and personal skills |
skills

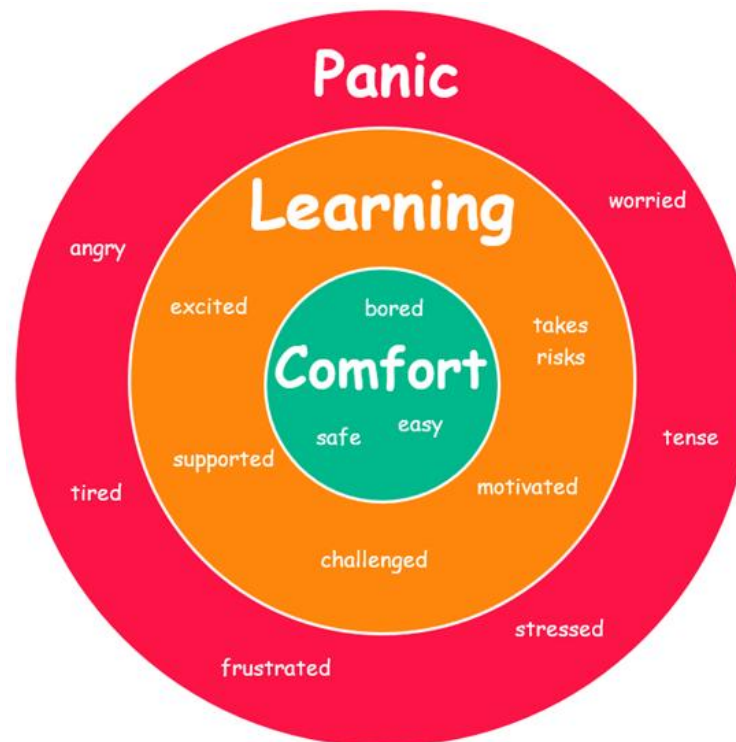

Fixed vs Growth Mindset

Fixed Mindset:

- I can't do this.
- Avoids challenges.
- Gives up easily.

Growth Mindset:

- I can't do this yet.
- Embraces challenges.
- Keeps trying.

Working together

We want to work in partnership with you to support your child's learning, progress and wellbeing. **Open communication is really important to us**, and we encourage you to ask questions, share concerns and be **curious** about your child's learning.

Please refer to our **Communication Policy on the school website**, which explains the different lines of communication at Bramber.

We understand that occasionally there may be **important or urgent information** that needs to be shared with your child's class teacher at the start of the school day. In these circumstances, a member of the Key Stage 2 teaching assistant team will be available to take messages until **8:50am**.

This year, we will also be sharing **more information about your child's learning and progress**, helping you to understand what they are learning in school and how you can support them at home.
